Dacorum Communities for Learning

Arts & Craft Courses

This course is very varied & can be tailored to suit individuals, groups or organisations. We can use a very varied range of materials & create products using new or recycled materials & upcycling to create a range of products to use in the home, as gifts or to sell. We can also run courses in crafts to make with children. Some items have been produced as decorative display items in communal lounges or hallways.

We have run courses with individuals, church groups, seniors groups, people with learning difficulties & young mums. These courses are tailored to suit the needs of each particular group's abilities. We are happy to discuss & arrange courses to suit your group's requirements.
