

How to use your Mobile Phone

This course is aimed at those who have little experience of using mobile phones, and want to get the most out of them.

Learners will learn how to use most of the basic functions on their phone and build their confidence.

At the end of the course, learners should be able to:

- Browse the menu system on their phone.
- Have a basic understanding of phone H&S.
- Add a contact to their phone book.
- Send and receive text messages.
- Make and receive calls.
- Take photos.
- Change their phone background.
- Access the calendar.
- Access their e-mails from their phone.

Learners need to bring their own phone along, with its manual and charger.

Please let us know of any additional support you may require, when booking this course.
